ABOUT

Middle Front End Engineer with over 9 years of industry experience, specializing in **React, JavaScript, and TypeScript**. I live to learn. By that I mean I love taking on new and exciting challenges to expand my horizon on a day to day basis. I make the extra effort to ensure that I understand what I'm doing/working on. There is a special place in my heart for code, so I take any opportunity I have to expand my knowledge base, and learn more.

WORK EXPERIENCE

FRONT END ENGINEER

Self-Employed | 07/2023 - Present | (Remote)

- Developed and maintained **Next.js** applications on Upwork, ensuring timely completion and client satisfaction.
- Provided front-end solutions using **HTML, CSS, JavaScript, and TypeScript** for Fiverr clients, meeting strict deadlines and exceeding expectations.
- Completed front-end projects utilizing various technologies for Freelancer clients, **communicating effectively** to understand requirements and deliver outstanding results.
